

***HASLOP &
MASON***

Premium Electrical Supplier

Wired for Service

Since 1958

Welcome • Welkom • Wamkelekile

For almost 70 years, Haslop & Mason has been the premium electrical supplier to manufacturers in the Eastern Cape.

Our business is built on rock-solid relationships with customers across the automotive, food and beverage, agri-processing, and related sectors.

What hasn't changed is our commitment to delivering quality products that represent the latest energy-efficient technologies and real value.

Best in Brands

Haslop & Mason is a proud partner to some of the most trusted Original Equipment Manufacturers and system integrators in industrial automation. We are serious about your business and stake our reputation on distributing only the best in brands. While you might find cheaper elsewhere, you can count on consistent quality and value.

Your needs shape our product list.

We offer the complete bundle of electrical and automation components:

Cables and cable management systems

Safety products, sensors and switches

Enclosures and distribution boards

Test instrumentation and tools

Motor control

Heating control

Industrial lighting

Best in Business

We strive to give you five-star service through:

Customer-first performance

Co-operation and teamwork

Accountability and participation

Honesty and integrity

Mutual respect and consideration

24/7 Support

A strong work ethic runs like an electrical current through our team and powers all our customer interactions. We are wired for honesty, integrity and 24/7 technical and component support. Our award-winning sales and support team receives continuous product training to anticipate your every need and keep you up to speed on the latest product developments.

Proudly Eastern Cape
